

ONE DAY OPTION

#27S #Teach4Climate

1. Travel to school by public transport, bicycle or on foot and if not possible carpool.

2. Wear a green t-shirt to show you support climate change.

3. Use reusable containers.

4. 4. Recycle and only print when necessary.

5. Drink tap water when possible.

6. 6. Eat healthy produce.

7. Plan climate change activities and a call to action: storytelling and music workshop (live music, eco-playlist...). Dedicate 5 minutes of recess time to support climate change.

8. Upload pictures and videos to social media with the hashtag #Teach4Climate

9. Attend the march in the afternoon.

**You cannot teach on a dead planet.
The time to act is now!**
